Summary: Praise for Thomas Jefferson: The Art of Power " Fascinating and insightful Many books have been written about Jefferson's life, but few have created such a vivid portrait Meacham immerses the reader in that period of history to explain Jefferson's behavior during an era when the nation was as contradictory as he was extraordinary essential."- The Associated Press "[A]ccomplishes something more impressive than dissecting Jefferson's political skills by explaining his greatness, a different task from chronicling a life, though he does that too - and handsomely.
