This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Something very strange going on in the Arthurian landscape of the West Country! And Brock Coole, WWII vet and kind of wild Southern boy, from Mycenae, Tennessee, has to sort it all out! The day after losing his job because hes been drinking and dancing on Saturday nights on the wrong side of the tracks, Brock is called to England to inherit a fortune following the death of his Aunt Marcy. In London, he has an amazing vision in the British Museum. He runs into the Beatles, who are in town looking for a recording contract, and has a brief conversation with Lee Harvey Oswald, who is in Paddington Station en route to defecting to the Soviet Union. He embarks on a drunken ramble in Soho and ends up battling Teddy Boys and rocking out in the basement of a coffee bar. He also comes to the conclusion that Marcy was murdered in rural Somerset, so he travels to the wild Quantock Hills and soon comes to feel that he has gone down a rabbit hole altogether. He meets the Torbryans, an ancient family that harbors a great secret. Four attempts are made on his life and he has experiences with paranormal phenomena related to British folklore that challenge his mid-century American-man sanity. In a final epic battle Brock finds out the truth. He has been on a quest, as it turns out, To Save the Realm. Front cover: Ryan Sumo Back cover:...
