Crimson Publishing. Paperback. Book Condition: new. BRAND NEW, Practise & Pass 11+ Level Two: Develop Maths, Peter Williams, Do you want your child to attend an independent or grammar school? Wondering how to give him or her the best possible chance of passing these exams? The 11+ test or similar entrance exams must be passed for children to gain entrance to grammar and independent schools and with limited places and high competition it's vital to prepare your child so they have the best chance of gaining a place. Develop Maths is here to help. Designed for those who have completed the Discover level of the Practise & Pass 11+ series, Develop Maths gives children a more advanced grounding in 11+ maths exam questions and tests once they have mastered the basics. Boasting the same expert coaching and guidance for both you and your child as the Discover level, Develop Maths clearly explains how to tackle maths exam questions correctly and is filled with hundreds of brand new, authentic practise questions in the same multiple choice format as the final maths exam. And once you've completed the Develop level make sure to complete the series with the Practise Test Papers so your child receives a full programme of coaching needed to pass the 11+ maths exam. This brand new Practise & Pass 11+ series has been developed in line with the current entrance exams so your children will be answering questions that are in an identical format and style to those that will be in the final test. Covering the four key subjects, verbal reasoning, non-verbal reasoning, maths and English, the series is split into three levels - Discover, Develop and Practise Test Papers. After working through the Practise & Pass 11+ series your child will be fully prepared for the...
