A celebration of men s voices in prayer through the ages from many faiths, cultures and traditions. If men like us don t pray, where will emerging generations get a window into the soul of a good man, an image of the kind of man they can aspire to be or be with when they grow up? If men don t pray, who will model for them the practices of soul care of gratitude, confession, compassion, humility, petition, repentance, grief, faith, hope and love? If men don t pray, what will men become, and what will become of our world and our future? from the Introduction by Brian D.
