Dorling Kindersley Ltd. Paperback / softback. Book Condition: new. BRAND NEW, The Humongous Book of Geometry Problems: Translated for People Who Don't Speak Math, W Michael Kelley, An ingenious problem-solving solution for befuddled math students. A bestselling math book author takes what appears to be a typical geometry workbook, full of solved problems, and makes notes in the margins adding missing steps and simplifying concepts so that otherwise baffling solutions are made perfectly clear. By learning how to interpret and solve problems as they are presented in courses, students become fully prepared to solve any obscure problem. No more solving by trial and error! Includes 1000 problems and solutions Annotations throughout the text clarify each problem and fill in missing steps needed to reach the solution, making this book like no other geometry workbook on the market The previous two books in the series on calculus and algebra sell very well".
