University of New Mexico Press, Albuquerque, NM, 2006. Soft cover. Book Condition: Brand New. Softcover, [xxvi], 126 pages. Size 8.5"x5.5". "The poems in this book, presented in Spanish and English, take us back to the village of Ojo del Padre, now called Guadalupe, New Mexico, in the late 1940s and early 1950s, when such villages were about to leap from the preindustrial era into a postindustrial world.These poems are deceptively simple. While maintaining the viewpoint of a child, García employs sophisticated rhymes and techniques and suffuses the poems with a rich humor. His work links ancient Spanish literary forms with the vernacular language of the village to produce a profoundly authentic New Mexican rural Spanish." New condition, clean and unmarked.
