Commercializing Innovation Turning Technology Breakthroughs into Products

By Jerome Schaufeld

Apress. Paperback. Book Condition: New. Paperback. 275 pages. Commercializing technology is not easy. There are many complicated decisions to make: Where to get ideas Which to pursue Whom to hire Where to manufacture How to fund Create a startup or license to another AsTurning Tech Breakthroughs into Productsshows, you need a systematic method to answer such questions and bring sophisticated products and services to market. In this book, successful technology entrepreneur and professor Jerome Schaufeld offers a step-by-step commercialization process that begins with assessing technology from a variety of sources and ends with taking viable products into the market. As he shows, by applying systematicprocesses to technology commercialization, you can create a greater number of useful products while improving the probability of their success in the marketplace. Using case studies and models, as well as the experience Schaufeld has accumulated over the years, Turning Tech Breakthroughs into Products shows readers how to: Source technology that can be turned into products Recognize an opportunity to create a viable product Perform feasibility analyses before sinking too much money into a project Find the right method and means to introduce the product to market Plan the project down to the last detail Execute...
